Loading Dock:

Two covered truck berths with a 100' long interior holding and storage area that enters onto stage left.

Dressing Rooms:

Ten – 2 person dressing rooms with lighted dressing tables, hanging rack, and bathrooms with showers.

Two – 40 person chorus rooms with lighted dressing tables and attached bathrooms.

One - "STARS" dressing room on stage left with a sitting room and lighted dressing tables, and bathroom with a shower.

One – Multi Purpose room with washer and dryer.

(Usually used for catering & crew meals)

(All cooking must be done on the inner section of the loading dock)

One - "Green Room" with 10 person conference table and 3 separate Conversation areas (Over-stuffed leather chairs and coffee table)

UNION AFFILIATIONS

The stage crew is represented by the International Association of Theatrical Stage Employees ("IATSE") Local No. 2 Stagehands and Local No. 110 Projectionist Unions.

The standard house union crew consists of the following six (6) working Department Heads:

- Two (2) Carpenters (Head Carpenter, Head Flyman)
- Two (2) Electricians (Master Electrician, LD)
- One (1) Audio Engineer
- One (1) Prop Master (Union TD/Steward)

Any additional technicians necessary depending on the scope of work for a production will be represented by IATSE Local 2 and Local 110 at the Licensee's expense.

The Teamsters Union at the Arie Crown Theater will assist the Licensee in bringing in additional gear and all will be billed accordingly to the Licensee.

STAGE DIMENSIONS

Apron:

Curved face with 16' 5" depth at centerline.

Proscenium:

90'-0" wide x 40'-0" high
